STATE ASSISTANCE TO FAMILIES WITH CHILDREN IN UKRAINE IN THE REALITIES
OF THE DAY

Monthly allowance to care for a child reaches the age of three cancelled. under the new rules at the birth of a child will receive the same amount, which will not depend neither on the size of the subsistence minimum for children under six years of age, is installed on the child's birthday or on what account the baby was born. Parents receive help with child birth in the amount 41280 UAH. This 10320 UAH. they will pay immediately after birth of the child, and the rest within three years in equal parts – 860 UAH. per month.

Also there have been changes in the ratio of allowance for adoption of a child. So, parents who adopted a child from 01.07.2014, will receive the same as parents who were born his child. That is – 41280 UAH. (10320 UAH. immediately, the rest of 860 USD. within 36 months).

Although the support in caring for the child reaches the age of three cancelled, in most cases this will not lead to loss of face, which cares for her insured status. From 01.07.2014, insured deems persons in respect of which both of the following conditions: they care for the child reaches three years of age; they receive child care benefit for a child under the age of three and/or receive assistance at the birth of a child.
